This compact connection block is designed for the quick, safe and tidy connection of lighting installations. The practical 3-pole push-in terminal allows for the easy connection of the live, neutral and earth conductors. The connection block is also suitable for use as a connection point for a GST18/3 connector, allowing luminaires and installations to be connected or disconnected quickly.

By combining a 3-pole push-in terminal, integrated strain relief and GST18/3 compatibility, this connection block provides a practical solution for both fixed installations and luminaires that require quick connection or replacement.

Technical specifications:

Product Name	Junction box | GST18/3
Ean	8714984954519
Outer box qty	100st
Colour	Black
Material	Plastic
Model	Mounting box
Mounting method	Universal
Length	100mm
Width	36mm
Depth	25mm
Type of housing feed-through	None
Number of inlets	1
Cover model	Mounting cover
Cover attachment	Snapped on
Transparent cover	No
Working temperature	-20 - 70??C

Degree of protection (IP)	IP20
Surface protection	Untreated
Castable	No
Casting compound included	No
Sealable	No
Weatherproof	No
Mounting in the soil	No
Mounting under water	No
With strain relief	Yes
RAL-number (similar)	9005
Max. conductor cross section	2.5mm??
Warranty	2 years
