tronixlighting.com

Light motifs from Tronix Lighting feature powerful lighting in a variety of atmospheric light colors. Each motif is equipped with a plug that you can easily combine with the Pro System Modular 230V system. This not only allows you to connect multiple motifs to a single line, but also allows you to combine light motifs with light strings, icicle lights and more.

Features

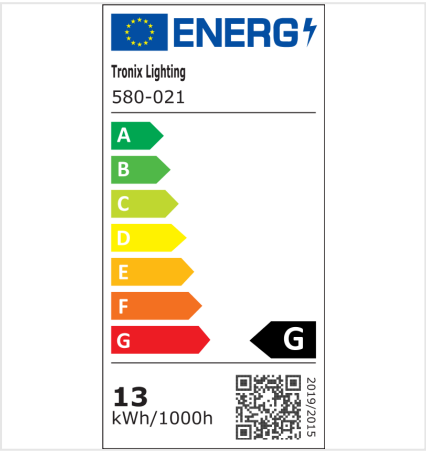

- IP44
- High quality material composition, for long life and ease of use
- Compatible with Pro System Modular 230V and accessories
- Matching light colors in the range of season and party lighting
