17.11.2026 - Disclaimer: information subject to change.

These compact photocell sensors are easy to pair with any of our Tronix Lighting Wall Packs. The sleek and unobtrusive design allows the sensor to remain inconspicuous but control the light entirely as desired.

Features

- Combine with various Wall Packs from Tronix Lighting (see related products)
- 3-wire cabling for easy installation
- Activation threshold for ON at 10-20 Lux, OFF at 30-60 Lux
