The PL13 up & down surface mount profile comes standard with a length of 200 cm and is suitable for two LED strips with a maximum width of 12 mm. The profile is designed for use as a fixture for wall and ceiling mounting. On the back of the fixture there is space for two LED strips, so it is possible to shine the light in two directions.

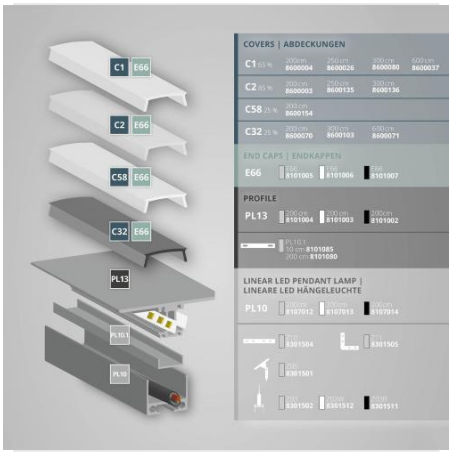

Features

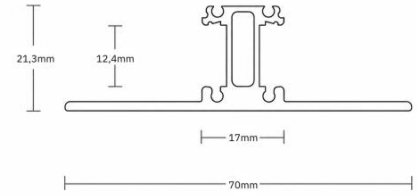

- To be combined with the PL10.1 mounting profile
- Type: Luminair
- Max. width LED strip: 12 mm
